

Change Is the Name of the Game! May has been a crazy month for us! At the beginning of the month, we packed up our things and moved out of our apartment in San Marcos, and into Catherine's parents house in Friendswood, TX. Here in Friendswood, we've been meeting with people and sharing about what we'll be doing in Athens. Our **new address** is:

1001 Middlecreek
Friendswood, TX 77546

You may have also noticed that the top of our newsletter has changed a little. As we prepare to move overseas, the best way we can think of to keep in touch with you is to do it via the internet: www.paulandcatherine.com is live, people! We also want to save a little time and a lot of money by sending newsletters to your Inbox rather than your mailbox! Please email catherine.wheatley@uscm.org to let us know you'd like to start getting our newsletter electronically.

Keeping in Touch Speaking of our website, we'd like to give you a brief overview:

- **Blog** - We'll be updating this often. Think of it as a way to get the 'details' that don't find their way onto the monthly newsletter.

- **Photos** - We've got a camera, and we're not afraid to use it!

- **Newsletters** - Old and new, if you want a newsletter, look no further.

It's All About Team. As we pack up and brace ourselves for all of the unknowns of moving overseas, one of the things we look forward to is the wonderful team we will be living and working with once we get to Athens. There are three other couples who have committed to working in Athens for at least the next 3-5 years like us. Between these three families, they have 7 young boys. Our lives will sure to be full of adventure with these boys at our side!

Beyond these couples, 5 recent college graduates [including Bryson, pictured to the R with Paul] have committed to serve in Athens with us for one year: one girl from U of Oklahoma, three from UT Austin, and Bryson from Texas State.

Summertime Beginning in June, we'll be in Ft. Collins, CO for eight weeks of cross-cultural training. This will be a refreshing time for us to be with many other people who are spending the next several years overseas, learning how to more effectively communicate about spiritual things and live in a different culture. We're looking forward to cool Colorado nights, warm friendships and leaving the summer better prepared to engage Greek students with the person of Christ. **We thank God for you!**

*Paul
&
Catherine*
[email me!]

Please pray....

- for God to prepare our team to serve together and live in Athens
- for God to prepare the hearts of the Greek students we will meet next Fall
- for God to provide support for us and our team by September

New Website!
